

2017 MN AAU State Prelims "Super Pool" Seeds

Each age group (6th-11th) will use the 8-team Super Pool Format. Seeds 1, 2, 3, 4, 5 & 6 will be placed respectively in Pools A & B from the 2016 MN AAU State Championship results. Pool A will have the ODD seeds, while pool B will have the EVEN seeds. There will be two remaining at-large seeds available in the Super Pools. The committee will put these at-large teams into those pools based on the usual seeding procedure, with heavy focus on coaches input and results from 2017 Spring AAU Tournaments. Also, the at-large teams will be placed in the pools by the committee in order to achieve the best possible competitive balance between the two pools. As in the past, teams playing another team within their same club will not be a consideration in this placement. The seeding committee will seed teams into Pools C and beyond according to established seeding criteria. 4th & 5th grade age bracket will be seeded by the committee based entirely off of 2017 Spring AAU Tournament results, due to no past history. Pool formats dependent on # of teams.

Below are seeds #1-#6 based on 2016 results. If teams are known to not be in existence, others were bumped up and it is noted below. If other teams are no longer in existence or do not register, alternates are listed below. Those alternates are in order based on 2016 results as well. All final decisions on holding seeds as it pertains to team or club name changes will be made by Dave Preller.

Junior/2018	
1. North Tartan 11th EYBL	2. Metro Stars Black
3. MN Stars Hersch (Taylor)	4. MN Fury 2018 Elite
5. MN Fury 2018 Gold At Large TBD	6. Taylor Hill Elite 2018 At Large TBD
*Note: Teams 2-6 bumped up 1 spot due to 43 Hoops no longer having teams.
