

2022 MN AAU State Prelims "Super Pool" Seeds

Each age group (6th-11th) will use the 8-team Super Pool Format. Seeds 1, 2, 3, 4, 5 & 6 will be placed respectively in Pools A & B from the 2021 MN AAU State Championship results. Pool A will have the ODD seeds, while Pool B will have the EVEN seeds. There will be two remaining at-large seeds available in the Super Pools, the best at large will get the #7 seed and will be placed with 1,3,5 and the #8 seed will be placed with 2,4,6. Seeding will use heavy focus results from 2022 Spring AAU Tournaments. As in the past, teams playing another team within their same club will not be a consideration in this placement. The coaches in attendance will seed teams into Pools C and beyond according to established seeding criteria. 4th & 5th grade age bracket will be seeded by the coaches and are not locked based on the top 6 places last season. Pool formats dependent on # of teams.

Below are seeds #1-#6 based on 2021 results. If teams are not in existence, others were bumped up & it is noted below. If other teams are no longer in existence or do not register, alternates are listed below. Those alternates are in order based on 2021 results as well. All final decisions on holding seeds as it pertains to team or club name changes will be made by Dave Preller.

11th / 2023	
1 North Tartan 17u EYBL	2 Minnesota Fury 2023 UAA
3 MN Stars Hersch	4 MN Comets Elite
